Notice to all our customers, we will be open regular hours Monday-Friday 7:30 AM-5:30 PM until further notice.

Due to the Coronavirus state of emergency we are requesting customers to drop all vehicles off for service and not wait at the shop. This will minimize personal contact in an effort to comply with recommendations by Federal and Local Government Agencies to control the spread of this virus.

For your protection and the protection of our staff, we will also use a cabin sanitizer, wipe down the steering wheel, door handles and all other touched surfaces before working on your vehicle and returning your vehicle after service. If you would like we will offer free pick up and drop off services within 5 mile radius of our shop and touchless interactions for those wishing to utilize our drop box and key check. Also we have the capability for phone approval and payment when appropriate or requested. Let us help you get those needed repairs while we work our way through the restrictions of the COVID-19 Pandemic!

Thank you for your cooperation.
